

**Turning Point Human Capital Management (TP HCM)**, a Fractional Human Resources consulting company which solves the HR problems of business owners, is looking for a **Brand Ambassador**. This could be a part-time or full-time job based on the candidate's needs. The expectation of this position is \$15-\$20 per hour salary and anywhere between 20-35 hours per week.

### What makes this a great position?

- **This is a lifestyle business:** You make it what you want it to be. It could be for supplemental income, re-entering the workforce or an addition to your existing career
- **All work is on Long Island:** All brand awareness meetings are held in Suffolk and Nassau
- **HR stuff in is the news all the time:** The **Brand Ambassador** will help spread our message
- **An increasing need for our services in the marketplace due to burdensome compliance, expanding laws and regulations**
- **Flexible scheduling and no reporting to an office**
- **Great for:**
  - **College students looking for real world experience**
  - **People looking to re-enter the workforce**
  - **Those who would like to supplement existing income**

### Skills/Qualifications:

- Ability to share company mission, vision and values.
- All activity will take place in meetings set up by our marketing team
- Educate our prospects on the company services and products
- Able to work alone on a broad variety of projects.
- Strong face to face conversation skills required.
- Able to work efficiently as a team member.
- Excellent communication skills.
- Able to develop a strong rapport with prospects and maintain excellent working relationships.

TP HCM is a rapidly growing Fractional Human Resources consulting company. Most of our clients have the same characteristics.

1. First or second-generation business
2. They have between 5 and 500 employees
3. They have revenues of \$1 million to \$50 million in revenue

Since our clients' needs vary greatly, we need **Brand Ambassadors** who are flexible and ready to take on multiple challenges. If you like a challenge and feel you could be an asset to our company and our prospective client's, we would love to have you.
